The Pacific Edge Hotel in Laguna Beach, California is a great home base for families wanting to walk to the beach, dining, and shopping.

Family fun at the [Pacific Edge Hotel](#) in Laguna Beach, CA begins with complimentary beach chairs, umbrellas, towels, and sand toys. Kids will love only having to walk a few steps from their hotel room to the beach. And parents will love not having to pack the beach necessities.

Rooms with an Ocean View

The newly renovated hotel has a retro beach feel with brightly painted rooms featuring floral patterned decor. As is typical for [Joie de Vivre](#) hotels, the establishment reflects the community in which it is located. As a beachfront property, a surfboard theme is woven throughout the property -- from the lobby to the guest rooms. With 128 rooms situated throughout six buildings on the property, there are a variety of room sizes, prices and views available. Rates range from \$109 to \$450 depending on the season. If you're looking for a 5-star resort, this is not the hotel for you. But if you want a great value at an ideal location, it's worth overlooking the somewhat shabby cinderblock exterior.

Most rooms include the following amenities:

•

Private balconies with full or partial views of the ocean

- Flat-screen television with movies On Demand
 - Complimentary wireless Internet access
 - Hairdryer
 - Iron
 - Small refrigerator
- Room service; including a picnic on the beach option.
- Take a virtual tour online to pick the best room to suit your family
- The hotel offers a pillow menu that includes: plush, aqua plush, memory foam and buckwheat pillows to ensure that guests have the most comfortable night's sleep.

Oceanfront Dining

Adjacent to the hotel is the [Beach House](#) restaurant. Known for its fresh fish dinners and daily brunch menu, the Beach House offers a range of entrees for breakfast, lunch and dinner. To get the best value and view, don't miss the Happy Hour Sunset Specials from 4:30-6 p.m., which includes a lobster tail with whipped potatoes and broccolini for less than \$20. Breakfast meals include a free appetizer comprised of an assortment of Danishes and fresh fruit. During warm weather, be sure to reserve a seat on the outside deck that overlooks the ocean. You can't beat the view.

Hit the Shops or the Surf

Whether your family prefers to go shopping in the village or take on the waves, there are plenty of activities to do within walking distance of the hotel. Tour one of the many art galleries, rent a stand-up paddle board, treat the kids to a scoop of ice cream, play volleyball on Main Beach, or just sit on the boardwalk people watch.

More Information
